MARCH 2024

Monthly Overview

## SBP Disaster Housing Course

Our VP of Business Development, Moneka Singh Jani, recently completed the Disaster Housing Course by SBPUSA, equipping leaders to streamline recovery for survivors and transition from short-term to long-term recovery. The 2-day course covered crucial aspects of disaster housing construction management, emphasizing the need for trained managers in achieving the most straightforward and effective path to recovery.

## Homeowner Update: Hopeful New Chapters Start with DSW

Ashley Dunne, Florida Program Manager, spearheaded the demolition phase at a beloved 80-year-old family home. The residence, brimming with decades of memories and sentimental significance, stirred a range of emotions for its homeowner; her words reflected a deep connection to the past and an eagerness to witness the construction of her new home, marking the beginning of a hopeful chapter in her life.
