DSW Homes LLC
1021 61st Street
Suite 200, Bldg. B
Galveston TX 77551

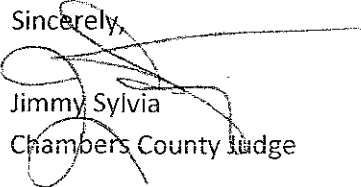

To Whom It May Concern:

I am pleased to recommend DSW Homes, LLC to any Disaster Recovery Program. DSW Homes has constructed numerous homes for the Chambers County, Round 1, Hurricane Ike, CDBG Federally Funded, Disaster recovery Program. During this time they have exhibited exemplary professionalism in all areas, including administrative competency and product quality. Any and all aspects of construction, invoicing, government mandated requirements, i.e. Section 3, Lead abatement, quality control programs, safety programs, etc., were satisfactorily met within a timely and efficient manner. With an average build-out time of 45 days, DSW Homes more than meets any programs expectations.

In addition to quality and performance, DSW has unprecedented Customer satisfaction, going above and beyond the standard as far as, providing transportation when necessary to and from required meetings, such as benefit selection and signing events, helping people move in and out of their homes, financial aid with storage containers, even subsidizing rent when customers cannot afford to leave their home for even a short period of time.

Therefore I, with no reservation or hesitation, recommend DSW Homes LLC to any disaster recovery program. I will gladly answer any questions regarding my experience with DSW Homes. You can contact me at 409 267 2440.

Sincerely,

Jimmy Sylvia
Chambers County Judge
