RE: HUD Audit November 2-6, 2015

Dear Mr. Schumer,

The week of November 2, 2015, the Department of Housing and Urban Development (HUD) conducted an audit on the General Land Office's Disaster Recovery (DR) Program. HUD audited a variety of the DR Program's functions including financials, construction, and homeowner complaints.

Thank you for your team's assistance in the preparation and work undertaken related to this audit. The results of our audit and your performance during the HUD audit demonstrate that DSW Homes is committed to building quality homes and rebuilding communities in a professional manner. Thank you for your work during HUD's visit.

If you have any questions, please feel free to contact me at (512) 475-5034 or at [brandon.clark@glo.texas.gov](mailto:brandon.clark@glo.texas.gov).

Sincerely,

Brandon Clark
