DSW Homes, LLC
1021 61st Street
Suite 200, Bldg. B
Galveston, TX 77551

Gentlemen:

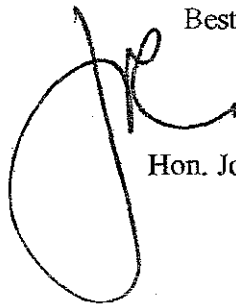

During my term as Mayor of the City of Galveston, I had the opportunity to work with DSW Homes in their capacity as a contractor within the City of Galveston CDBG Federally Funded, Round 1, Hurricane Ike, disaster recovery program. Since their entry into the program, they completed over 100 projects, many of them were take-overs from other failed contractors, requiring them to re-scope, rebid, and correct previously incomplete or previously completed but inadequate construction. DSW Homes took on the challenge of satisfying 100 unhappy and disillusioned customers. I am happy to report all of these customers were quickly restored to their new and or improved homes.

In fact, on several occasions I met with these happy homeowners as they were given the keys to their homes by DSW personnel. I witnessed firsthand many hugs and tears of joy. These were my constituents, but I credit DSW for their happiness.

In addition to great Customer satisfaction, DSW Homes provides quality and performance, working well with all governmental departments, providing all necessary paperwork, compliant with government mandates. The city of Galveston's success in the disaster relief program will be due in large part to the hard work and efficiency of contractors like DSW Homes'.

In closing, I am pleased to recommend DSW Homes, LLC to any and all Disaster Recovery Programs. If you have any questions, please do not hesitate to contact me at my office 409.763.0700.

Best regards,
