**SENATOR LARRY TAYLOR**  
DISTRICT 11

To Whom It May Concern:

The aftermath of a natural disaster creates a devastating reality amidst an entire community. Coastal residents are no strangers to such catastrophes and DSW Homes, LLC has worked tirelessly to help rebuild in times of need. It is my privilege to recommend DSW Homes, LLC as a reliable contractor for efforts within a disaster recovery program.

DSW Homes' standard of high quality customer service, excellent build-out times and quality construction is evident through the various projects they have undertaken. With over 1,000 rehabilitation and reconstruction projects, totaling over \$77 million, they have been recognized for their work in the Chambers County, Round 1, Hurricane Rita, Hurricane Ike, and Community Disaster Block Grant (CDBG) programs. Two CDGB programs include: the Texas Housing Assistance Program (THAP) and the Galveston County Housing Assistance Program (GCHAP), designed to rebuild homes following Hurricanes Rita and Ike. Both programs have attributed much of the redevelopment progress to DSW Homes, LLC.

Thank you for the opportunity to express my support for DSW Homes, LLC and the work product they deliver for Texas residents. Please contact my office with any questions.

Sincerely,
