DSW Homes/DSW Rita Rehab
1021 61st Street,
Suite 200, Bldg. B
Galveston, Texas

To Whom It May Concern:

DSW Homes has been an active contractor in the Hurricane Rita federally funded CDBG Disaster Recovery Program. In that program they constructed or rehabilitated more than four hundred homes in a 12 month period since joining the eligible contractor list.

The work they have done for the program has been very good and they continue to be assigned duties in the Rita Disaster recovery program because of the speed and quality of their work.

They are familiar with the necessary requirements to operate within a federal program and to meet federal requirements and timelines in the State of Texas. Please feel free to contact me if you have any questions.

Very truly yours,

Kevin Hamby
Senior Counsel
