Dear Steve,

This letter is in appreciation to you and the fine people at DSW. On July 15, Ms. Dickerson at 1504 – 4th Avenue North had an issue with her new home's air conditioner. Ms. Dickerson was distraught as she had tried to work out the situation with the contractor and had not had any luck.

George Fuller made a call and by the next day Ms. Dickerson's air conditioner was fixed and she had cool air again. Needless to say she was absolutely delighted and thankful that she was taken care of in a quick and efficient manner by the people at DSW.

Thank you Steve for everything you do in Galveston County. I certainly appreciate you and I know Ms. Dickerson does as well.

Have a safe summer,

Matthew T. Doyle
