Galveston, TX 77551

Dear Steve,

Thank you for your generous support and contribution of the Garden of Hope at St. George's. We would not have been able to build the boxes in such a timely and beautiful way without you. The best summary of the day was given by one student's comment – Today is the best day of my life-ever! Thank you for being one to help make such a day possible. Your support and participation reinforces the potential and joint passion we have to impact the lives of our youth with skills and hope for a brighter future. Clearly, all who were involved were impacted by the special day.

Your generous response to support our Garden of Hope, as we serve the youth in our area, has been inspiring and encouraging to us all. Thank you for being one to start the trend by funding supplies and contributing vision and sweat equity for the Garden of Hope at St. George's Episcopal Church-Texas City.

Not only was your contribution of all the lumber a blessing, but you, Rusty, and Courtland Pelt's building skills saved the day. I look forward to working with you all as we follow God's lead and to bless these kids.

God bless you in all that you do and grant you peace! The best is yet ahead!

Faithfully,

A handwritten signature in cursive script that reads "Robin Reeves".

The Rev. Robin Reeves  
Rector,  
St. George's Episcopal Church
