Re: 605 3rd Street

To Whom It May Concern,

This letter is in reference to the rehabilitation work done by DSW Homes through the Hurricane Rita THAP program. DSW performed rehabilitation on the historic home of Billie Singleton located at 605 3rd Street. Ms. Singleton's home was damaged by the hurricane and was in dire need of repair. DSW did a admirable job with the repairs. The city and Ms. Singleton have both been enriched by the job done by DSW.

Although as a city official I cannot recommend contractors, I would not hesitate recommending their company as a contractor to be included in any bidder's list.

Sincerely,

A handwritten signature in black ink, appearing to read "Jimmie B. Lewis".
