Re: 803 6th Street

To Whom It May Concern,

This letter is in reference to the rehabilitation work done by DSW Homes through the Hurricane Rita THAP program. DSW performed rehabilitation on the historic home of Curt Jeanise located 803 6th Street. Mr. Jeanise owns one of the premier historic homes in Orange. Mr. Jeanise's home had a tremendous amount of interior damage caused by the hurricane. The restoration work done by DSW to the Jeanise home was excellent. The Jeanise's and the City of Orange will both now be able to enjoy this majestic house for many years to come thanks to the work of DSW.

Although as a city official I cannot recommend contractors, I would not hesitate recommending their company as a contractor to be included in any bidder's list.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jimmie B. Lewis".
